## The 12<sup>nd</sup> Asian International Conference on FLUID MACHINERY

### Background

The conference is a continuation of the preceding eleven conference that have been held in the name of Asian International Conference on Fluid Machinery. It has developed from the fourth conference (1993) as an International Conference though the start was held in two countries of Japan and China. The fifth to eleventh were held in Seoul (1997), Johar Baru (200), Fukuoka (2003), Yichang (2005), Jeju (2007), Kuala Lumpur (2009), and Chennai (2011). Asian Fluid Machinery Committee (AFMC) was established during the 9<sup>th</sup> AICFM 2011 held in Jeju, Korea.

At the conference, keynote lectures delivered by worldwide fluid machinery specialists will be made to introduce the outstanding achievements in various fluid machinery area. The conference is organized by AFMC and FTMD ITB.

Participation of those who are relevant to every facet of fluid machinery, R&D will be encouraged.

### Objectives of the conference are

- To promote a platform for sharing of knowledge among researchers in the field of fluid machinery
- To encourage partnership between academic and industry
- To discuss the role of fluid machinery in light of sustainable development, depletion of conventional energy sources and environment challenges
- To establish and strengthen the Asian and regional networking

### Scope

Paper dealing with all aspect of various fluid machineries are welcome, especially in area of

- Cavitation
- Compressor
- Pumps
- Computational Fluid Dynamics
- Fan and Blower
- Flow meters and valves
- Fluid Sealing
- Fluid Dynamic in fluid machinery
- Hydro Turbine
- Gas and Steam Turbine
- Jet technology
- Propulsion
- Renewable energy
- Monitoring & diagnosis
- Rotor Dynamics

### Language

Abstract and paper should be written in English. English will be use for the presentation of paper session.

### Paper Submission

Prospective Authors are invited to submit abstract of original unpublished works. Abstract should be in MS Word or PDF format and Abstracts written in English not exceeding 500 words should contain the title of the paper, author's names and affiliation, Relevant information must be submitted together with the abstract author name, affiliation, address, contact phone/fax, postal code and email.

Abstract should be submitted online to the official website or email ([aicfm12@ftmd.itb.ac.id](mailto:aicfm12@ftmd.itb.ac.id) or [aicfm12@yahoo.co.id](mailto:aicfm12@yahoo.co.id)) according to the schedule given.

### Time table :

Deadline of abstracts,	February, 20, 2013
Notice of acceptance of abstract	March, 2, 2013
Deadline of draft papers	May, 1, 2013
Notification of acceptance of paper	June, 11, 2013
Deadline for the final paper	July, 20, 2013

### Instruction for Authors

Paper must reach the conference Secretariat on/or before the specified deadline. Please refer to the conference website <http://seminar.ftmd.itb.ac.id/aicfm12> for guidelines on paper format.

### Registration and information

Extended abstract and registration form should be submitted to either
